

Complaints Policy – (Private Practice)

If you have a complaint or concern about the service you have received from the dentist or any of the staff working at this practice, please let us know. We operate a practice complaints procedure for dealing with complaints. Our complaints system meets national criteria.

How to complain

We hope that most problems can be sorted out easily and quickly, often at the time they arise and with the person concerned. If your problem cannot be sorted out this way and you wish to make a complaint, we will respond to your complaint within three working days, enabling us to establish what happened more easily. If it is not possible to do that, please let us have details of your complaint:

- Within 12 months of the incident that caused the problem

Complaints should be addressed to Amit Kumar Complaints Manager. You may ask for an appointment with her in order to discuss your concerns. They will explain the complaints procedure to you and will ensure that your concerns are dealt with promptly. It will be a great help if you are as specific as possible about your complaint.

What shall we do:

We shall acknowledge your complaint within 3 working days and aim to look into your complaint within 14 working days of the date when you raised it with us. We shall then be in a position to offer you an explanation, or a meeting with the people involved. When we look into your complaint, we shall aim to:

- Find out what happened and what went wrong;
- Make it possible for you to discuss the problem with those concerned, if you would like this;
- Make sure you receive an apology where this is appropriate;
- Identify what we can do to make sure the problem doesn't happen again

Complaining on behalf of someone else

Please note that we keep strictly to the rules of clinical confidentiality. If you are complaining on behalf of someone else, we have to know that you have their permission to do so. A note signed by the person concerned will be needed, unless they are incapable (because of physical and mental illness) of providing this.
